EXPERIENCE

HIGHLIGHTED PROJECTS

Frontend Web Developer

Remote

Dec, 2023 – July, 2024

GRABWORK — A versatile platform to simplify your everyday tasks by connecting you with trusted service providers at the tap of a button.

- Built with: (React, Tailwind & Axios)
- Built and styled dynamic Sign-up and Vendor Registration forms using React, ensuring a seamless and adaptive user experience across all devices by leveraging Tailwind for responsive design.
- Successfully connected the forms to backend APIs using Axios, allowing for efficient data submission and handling, and implemented user feedback through Toast notifications to enhance usability.

Laptop Recommendation Web App — A web application that recommends laptops depending on user's preference.

- Built with: (React, Tailwind, Python for backend integration)
- Implemented a dynamic, user-friendly interface using React to allow users to easily input preferences and receive tailored laptop recommendations.
- Collaborated closely with a backend developer to integrate frontend and backend functionalities seamlessly, using python, ensuring a cohesive and efficient application.

WORK EXPERIENCE

Reconnaissance Technologies

Frontend Developer Intern

FCT-Abuja, Nigeria

Feb, 2024 – Present

- **Developed Reusable Component:** Created reusable components with modern frontend frameworks like react, facilitating efficient development processes and enhancing maintainability.
- **Collaborative Development:** Worked closely with other developers and designers to optimize site performance, troubleshoot issues, ensure cross-browser compatibility, and seamlessly implement UI/UX designs into functional web pages.
- **Backend Integration and Usability Testing:** Assisted in integrating backend functionalities using tools like Axios, conducted usability testing, and utilized version control tools like Git to manage code effectively, minimizing downtime and fostering collaboration

EDUCATION

FEDERAL UNIVERSITY OF TECHNOLOGY, MINNA

B.Tech, Industrial Mathematics

Sep, 2021 – Present
