CURRICULUM VITAE

SUMMARY
Results-driven frontend developer with a passion for creating seamless user experiences and visually appealing interfaces. Skilled in HTML, CSS, JavaScript and ReactJS, I possess a strong understanding of web development principles and best practices. With the passion for writing code, I keep learning and growing every day because there is so much that is involved in the world of Tech and I want to be knowledgeable in every aspect.

SKILLS

- **Languages:** JavaScript, Typescript, HTML, CSS, Tailwind CSS, ReactJS
- **Software/Tools:** Git & Github, Firebase Firestore

PERSONAL SKILLS

- Team Player and Leader
- Strong verbal communication
- Analytical, Problem Solving and Solution Driven
- Flexibility
- Ability to adapt to any new environment
- Active Listener
- Great organizational skills

EXPERIENCE

- **Tech Support @ Savvy Management Consultancy Services, Abuja 2021 - 2022**
  I worked in this Audit firm to help with customer services and to advise both customers and employees and troubleshoot their hardware and software issues.

- **Frontend Developer Intern @ Reconnaissance Technologies, Abuja FEB 2024 – MAY 2024**
  I worked closely with design and development teams to bring creative concepts to life. I also collaborated with other developers to optimize site performance, troubleshoot issues, and ensure cross-browser compatibility
  Additionally, I assisted in integrating backend functionalities, conducting usability testing, and staying updated on emerging technologies to enhance my skills in creating seamless and user-friendly web applications.

EDUCATION

- **Federal University Of Technology Minna**
  2021 – Present
  B.sc in Industrial Mathematics

CERTICATIONS

- **aptLearn Web Development {[Certificate Of Completion](#)}**
